

## HaegerCare<sup>®</sup> Service Plans

HaegerCare<sup>®</sup> is a comprehensive customer service program that covers all aspects of your machine ownership experience. From the moment you inquire about our machines until your machine life cycle ends, we're here to help keep your equipment and operators running efficiently.

### Best-in-Class Training and Service Support.

Only from Haeger<sup>®</sup>.

There are three different HaegerCare<sup>®</sup> service plans that are carried out by factory-certified service engineers. Each plan is designed to protect your investment by minimizing downtime, maximizing productivity, and ensuring your operators are expertly trained in the newest technologies.
